It's Time to Re-Enroll

We are excited to begin planning for the 2025-2026 School Year!

- Register in the front office to save your spot for next year.
- Registering early helps us plan for class sizes, curriculum, and upgrades!

Missions Month

\$950 will go towards a children's home in India. Funds will provide a backpack with a towel and blanket for each child. All other funds will support those affected by the SoCal fires.

*Through the incredible work of our students, **MCS donated \$400 worth of gift cards** to families that have been displaced due to the recent fires.*
