Dear Family, Friends, and Fellow Business Owners,  
I invite you to join us in making a meaningful difference  
in our community! Together, we can provide the  
support that families need to offer their children a  
private, Christ-centered education. These challenges  
touch us all, but through our collective efforts, we can  
create a positive impact.

As a devoted supporter of Montebello Christian School,  
I have witnessed the incredible transformation it brings  
to the lives of children and families. Your generous  
contributions will directly bless the children in our  
community, helping them grow in faith and knowledge.  
Let us unite to spread hope and cultivate opportunities.  
I encourage you to donate, attend our events, and  
inspire change today! Thank you for your selfless acts  
of kindness, enriching the lives of the children in our  
community in Christ.
