

DRESS CODE

Montebello Christian School desires for our students to please the Lord and to be a good witness to others in appearance and behavior. Our school believes there is a definite relationship between good dress, good work habits and proper school behavior.

Montebello Christian School believes that proper student dress, in association with continued effort for good attitude and behavior, are important elements for a wholesome Christian learning environment.

Montebello Christian School reserves the right to determine acceptable and unacceptable standards of dress.

Failure to comply with the expected standards of Christian dress and conduct will subject the student to potential disciplinary action, up to and including suspension or dismissal from the school

Our Standard of Dress

1. Montebello Christian School is in favor of tasteful, modest dress. Neatness in dress is a prime requirement at our school and brings honor to our school, our families and to the Lord. The guidelines of **SAFETY, MODESTY AND GOOD GROOMING** are used in forming our dress code. School is a place of business and clothing needs to reflect that idea.
2. Our dress code is based on a "*uniforms with choices*" plan. The uniform company that handles our plan is:
